Communication in the Marriage

Communication is the interchange of information that expresses one's thoughts, moods or feelings.

Communication is critical for the success in the marriage.

Through ^{EXPRESSION} communication, the spouse is able to ^{W/O = HINDERED, NOT HAVING TOOLS NEEDED (INFORMATION)} effectively minister to the needs of their mate. Without effective communication, marriages will decay through the ineffectiveness of assumptions, suppositions, irresponsibilities & the lack of expectations being fulfilled.
