

LIFE CHANGING MINISTRIES INTERNATIONAL
Bible Study Syllabus
Dr. E.K.D. Quick

Through the scriptures we see examples of how God calls parents to the responsibility of raising their children in the saving knowledge of Him & how frequently the parent prays, intercedes and speaks ON BEHALF OF THE CHILD. Without proper parental rearing, children will grow up without knowing the lovingkindness of Jesus Christ and without knowing who they are in Christ, resulting in the child not knowing their purpose and potential in Christ Jesus. It is imperative for Godly parental guidance to manifest in order for the child to begin to receive and walk in the knowledge and promises of the Lord Jesus Christ, then, teach the child to develop their relationship in Christ.
