Marriage Enrichment Seminar  
The Marital State

EXPANDED STATE

The marital state is the state when after Godly counsel, time and release by the Holy Spirit...the man and woman come together in the state of Holy matrimony.

MUST BE CONFIRMED BY GOD... EVEN TO THE LAST MOMENT

NOT JUST... BUT WITH

WILLING TO INTENTED TO

STATE MUST WORK THROUGH

The marital state can and should be continuously fulfilling and exciting, just as our relationship with the Lord is riveting and exuberant.

IE... HUSBAND & WIFE = ONES OF CHURCH

NOT DIVISION

WE/OVER/US VS. I/MINE/MY/OURS

The marriage must strive to facilitate unity and oneness in all aspects of the relationship.
